

Body Builders Meeting Minutes (8-21-22):

Present: Shirley, Gerry and Monica, Gayle Harris, Rense

Monica opened in prayer

Old business:

Gerry gave the financial report. Monica added that we received the grant check for the outreach event. We are also now officially non-profit, under Crossroads Church!

Jail: Gayle shared that she wasn't able to get into the jail on Saturday night, due to them being short on staff.. She said that Tom Coddington and Jon Pedersen have been trying to resume the Hispanic Bible study since the pandemic has lifted, but Kate hasn't returned their numerous calls.

Good News Bible Club: Gayle shared that Andrea one of the two regional coordinators for the Good News Bible Club (from Redding) is still trying to secure approval from the principals at Frank Zeek and Nokomis schools to go on campus now that school is starting tomorrow, but haven't heard any update yet.

Monthly pastor's meeting: Gerry shared that only one other pastor (Kevin from RVCC) showed up this month. The pastor's are scheduled to preach on the same text (this time the Philippian jailer). Because of the poor showing at the meeting, the plans for an all-churches BBQ is being shelved.

Discipleship Training: On Saturday, Oct. 1st, from 9-noon, we will be hosting a workshop on "Mining the Gold of God's Word." Our team will need to promote the event.

Soul Jam Outreach Event: Monica shared that the team needs to help find volunteers to ensure a smooth and successful event. We have need of people to do: Set-up/clean-up, the snack bar, and children's activities. Our team will also need to help with soliciting prize money for the local skater's competition and also help promote the event.

Potential fundraisers/special events: Art/Craft sale is on hold at this time. We will still be doing the annual Crafts Faire in November. We also have an opportunity to do another Community Yard Sale event on Sept. 17th, if we can get volunteers and a vehicle to haul the stuff to and from the park. We are also planning to do a Book Release event at The Hope Center for Monica's two newly released books. It is contingent on whether the board allows us to use the facility without charging us. The same is true for the Bible study workshop.

Christian club at UHS: Monica gave flyer to Andrea to give to Abby Dyer (president).

Dance workshop: Rense still wants to see it happen at some point.

Tech training: Jesse Burnett has asked Rense to put on a Tech workshop

Next meeting date is: Sunday, September 18th at 1:00 p.m. 14th

Respectfully submitted by Monica Burney
