Present: Shirley, Gerry and Monica, Barbara and Joel, Gayle Harris, Rense

### Old business:

Gerry gave the financial report.

Gayle shared that the women volunteers were able to get into the jail on Saturday night. She and Tony Huerta continue to take the Virtual Chapels into the jail weekly. Gerry also continues to take the messages into Juvenile Hall every Sunday morning.

Gale shared that Andrea one of the two regional coordinators for the Good News Bible Club (from Redding) is still trying to secure approval from the principals at Frank Zeek and Nokomis schools to go on campus starting in the fall to conduct the club.

Gerry shared a report on the last monthly pastor's meeting at The Center for Hope. The pastor's are starting to preach on the same text from the Bible periodically. They also discussed the possibility of having a BBQ (for all the churches who's pastors are coming to the pastor's meeting) in September. They will set it in stone at the August meeting.

Gerry also shared that he just concluded his End Times seminar at The Center for Hope last Tuesday (July 5<sup>th</sup>). All the sessions are posted on our website. Please let anyone you think may be interested in this topic know about it. ([www.targettruthministries.com](http://www.targettruthministries.com)).

Monica mentioned that she and Gerry went to The River church last weekend and she talked after church with the daughter of the lead pastors (Mike and Jen Dyer) who is starting the new Christian club at the high school in the fall. She mentioned to Abby about our group wanting to partner with them from time to time on special events. Abby indicated she had a lot of ideas, but nothing has been formulated yet.

Monica continues to work on completing the Bible Study methods workshop. Most likely it will take place in September. Shirley and I will reach out to Zach Dison from First Baptist to see if he would be willing to co-facilitate the workshop. We might want to try to do another evangelism training this year, potentially in August.

Monica also revisited the idea of having a "Inspiration Café" either monthly or quarterly. The purpose is for fellowship among the Body of Believers and also to encourage them. It would involve testimonies, music, occasional missionary spotlights, hopefully some drama, and short videos. Pray about this. Also, Gayle shared that she leaves for Guatemala next Saturday (the 16<sup>th</sup>). Pray for her trip.

Monica talked about potential fundraisers/special events: Art/Craft sale It would be fine art and tasteful crafts. Barbara said she knew a woman in her church who makes quality craft items and when more details are available, she will ask her if she would like to participate.

Next meeting date is: Sunday, August 25<sup>th</sup> at 1:00 p.m. 14<sup>th</sup>
